

FICTIONAL DEMONSTRATION - NOT FOR CONSTRUCTION USE

Electrical isolation and reinstatement record

Document ID	SHQ-DEMO-EIR-006	Status	Demonstration record
-------------	------------------	--------	----------------------

A time-bound isolation record for a stated circuit and work area. It is not an EIC, MEIWC or EICR.

Isolation

Plant/circuit	Level 4 lighting distribution - Circuit L4-07
Point	DB-L4-01, protective device 7
Reason	Strip-out within the east open-plan office
Status	Fictional example - no real isolation performed

Verification sequence

Identify	Confirm equipment, drawings and all possible energy sources
Secure	Isolate and apply lock/tag under the approved procedure
Prove	Competent person proves the test device, verifies dead, then re-proves
Control	Record key control and affected people

Reinstatement

Check	Work complete, guards/covers restored and people clear
Authorise	Responsible person confirms reinstatement is permitted
Restore	Remove controls and energise under the approved procedure
Record	Time, person and result retained

Fictional demonstration. SiteHQ does not perform isolation, prove dead or certify electrical work.
