

FICTIONAL DEMONSTRATION - NOT FOR CONSTRUCTION USE

QR site entry and induction record

Document ID	SHQ-DEMO-QR-002	Status	Current demonstration version
-------------	-----------------	--------	-------------------------------

A compact example of the information a worker sees before acknowledging current project documents and signing in.

Project entry

Project	Harbour House commercial office strip-out
Site code	HBR-DEMO
Current documents	CPP revision 4 and RAMS revision 3
Worker account	Not required for the QR journey

Before signing in

Read	Project-specific induction and the documents assigned to the task
Acknowledge	Confirm the exact versions displayed
Provide	Name, employer and role required by the project
Sign out	Close the attendance session when leaving

Key induction points

Emergency	Follow the confirmed alarm and assembly arrangements
Access	Use the designated route and respect controlled areas
Changes	Stop and ask if site conditions conflict with the information shown
Reporting	Raise hazards, incidents and changes with the site supervisor

Fictional demonstration. A QR acknowledgement and attendance event do not prove competence or authorisation to carry out work.
